David and Karen:

I am sure that layoffs have been consuming your time. However, the matter that I brought to your attention last Wednesday is time sensitive. If you have had a chance to review the attached materials would it be possible to set up a telephone conference for sometime Monday? I would greatly appreciate it. Let me know. Thank you, Ann.

"Of all tyrannies, a tyranny exercised for the good of its victims may be the most oppressive. It may be better to live under robber barons than under omnipotent moral busybodies. The robber baron's cruelty may sometimes sleep, his cupidity may at some point be satiated; but those who torment us for our own good will torment us without end, for they do so with the approval of their consciences." —C.S. Lewis
